

# Dreams

Written by Ronald Wayne Laster

I've never been so proud of me  
I'm as happy as can be  
No more insecurity  
I'm living out my destiny  
I've gotta let you know whoa whoa  
I saw it long ago  
I'll never let you go  
It started in my dreams  
Long long ago, long ago  
I had to let you know  
That I love you so  
It started in my dreams  
I'll always be here with you  
And I don't care what you do  
Our love it was meant to be  
Come on let's start a family  
I've gotta let you know whoa whoa  
I saw it long ago  
I'll never let you go  
It started in my dreams  
Long long long ago, long ago  
I had to let you know  
That I love you so  
Heaven above, send me your love  
Send me your love  
Late in the midnight hour

I saw it in my dreams  
I gotta let you know  
We were protested to be together  
And I know before myself  
I'll never let you go
