

This Feeling

Written By Jeff Soulman Brown

In search of love I've traveled near and far
How could I have been so blind
Like two of you some probably confuse some
mistakes I've made
I can't deny many times I was troubled
And very lonesome
Just couldn't imagine why

This Feeling
This feeling in my heart
That I have just for you
This feeling
This feeling
In my heart that I have just for you

You might have said some things
In haste about what I wouldn't do
But now that I've met you and had a little taste
There's nothing left for me to do
But to tell you that I'm yours for the asking
Not the taking
Cause taking is strictly taboo, taboo, taboo
True love is here and I'm not faking
This feeling in my heart that I have just for you

Whoa baby, Whoa baby
How can I make you understand
Whoa baby that I want to be your man
Whoa baby
I've tried many that's true
Whoa baby
In my heart just for you

This feeling, this feeling, this feeling that I have
That I have just for you
This feeling, this feeling, this feeling
This feeling that I have for you Baby Whoa
What can I say, what can I do
I've got to prove it Baby
I've got to prove it Baby
I've got to prove it Baby
That this feeling in my heart that
I have for you

It's true Baby
It's true Baby
It's true Baby
That this feeling in my heart
Is just for you
Nobody
Nobody
Nobody
Can have it, can share
It's all yours baby(laughing) Come and get it
You can have it
You can have it
You can have it
